Hwy 34 now open from Hazelton to Napoleon

The North Dakota Department of Transportation has opened **N.D. Highway 34** from Hazelton to Napoleon as water has receded off the roadway.

Motorists are encouraged to check road conditions before traveling due to rapidly changing conditions. Fluctuating water levels make it difficult to predict when and where water will go over a roadway or recede from the roadway.

For road information, call 511 from any type of phone or go to the website:

www.511.nd.gov for road and weather conditions.
